

Below is an alphabetical listing of all local authorities registered with the Georgia Department of Community Affairs as of March 9, 2023, in accordance with O.C.G.A. § 36-80-16. This listing includes information on attached jurisdiction, fiscal year, creation method, delinquent reports from the most recent 3 years, and compliance status.

If an authority has incomplete information in the fields below, they may have completed earlier registrations but have not yet registered using the consolidated Annual Authority Registration and Financial Report (AARF).

Authorities with delinquent AARFs listed below must complete those referenced fiscal year's reports before being eligible to issue debt in accordance with O.C.G.A. § 36-80-16. Authorities are required to have registered and reported financial information for the 3 most recently completed fiscal years.

New Authorities are expected to begin completing the AARF within one year of their creating resolution. The Authority is expected to submit a report for any fiscal year report deadline that occurs beyond the first year of their existence.

Any questions or follow-up information requests should be sent to Research@dca.ga.gov and a member of the research staff will respond ASAP.
